

Chinese Language Courses in Tonga!

USP is offering various levels of Chinese courses via face-to-face mode and Online mode since 2012 to meet different demands from individuals, businesses, schools, government departments, and NGOs.

Now the Chinese Language courses for general public are delivered to Tonga via online mode (Zoom)!

The courses will improve your social communication skills in Chinese, especially in listening and speaking, including the pronunciation and the most practical communication tasks

Teaching Team

- Native speaker lecturers from China
- Qualified teachers
- Confucius Institute(USP) teaching team

Expected outcomes

- Master Chinese phonetic rules and read in Pinyin independently and fluently;
- Recognise Chinese Characters and know the basic writing skill of them;
- Make daily conversation in Chinese;
- Have a basic understanding of some Chinese culture and traditions;
- Enhance self-learning skill in Chinese language;
- Choose to take an internationally recognised Chinese Proficiency Test (HSK).
